JTAS OnLine

Welcome to **JTAS Journal of the Travellers' Aid Society Online!**

When GDW **Game Designers' Workshop** closed its doors, **Steve Jackson Games** saw an opportunity to add support for **Traveller** to its **GURPS** line. In support of the new edition, they also created **JTAS OnLine**, which continued on a bi-weekly basis for more than 15 years (2000 to 2015). Online **JTAS** was available to subscribers, and now in this collection is available to even more **Traveller** readers.

An important part of **JTAS OnLine** was the recurring content by editor Loren Wiseman: they provide great insights and memories across 40 years of gaming. These editorials are collected separately into a separate book **Grognard**.
